

Education and Training Resource List

Provided by Longarm Learning Curve Facebook Group

Updated 14th December 2020

If you provide education and training on longarm quilting please message Lynda Jackson or Liz Holpin from within the Longarm Learning Curve group with the details of your Facebook or Website page where your class offerings are listed.

We provide this resource so that quilters on the Longarm Learning Curve group can click on the hyperlinks in the table below to go straight to your page.

If you could send whether you are a longarm teacher, Handi Quilter Educator, etc. that would be great.
